

FIVE TRAILS DISTRICT 2017 CUB SCOUT DAY CAMP “BUG HUNTERS”

The following activities were presented at Cub Scout Day Camp. The campers were given the opportunity to complete all or part of the following Adventures and Elective Adventures if they attended all five days or days as indicated.

It is up to the Day Camp Den Leaders in attendance to approve the portions or the whole of each adventure and to sign the Cub Scouts' rank book. In general, it is the Den Leaders who have the final say on whether the scout did his “best” and completed the requirements.

“Do Your Best” continues to be the standard. Even Cub Scouts of the same age may learn skills at different rates. This is why performance is centered on this motto. When a boy has done his very best, then regardless of the requirements for any rank or award, it is enough; his accomplishment is noted. This is why den leaders, assistants, and parents or guardians, are involved in signing off requirements. Generally they know if the effort put forth is really the Cub Scout’s best.
